Vicky - sorry to hear you are so impacted by the flu. That's a shame and hope you regain your normal self soon. Good news - it is a short week. Hopefully very short.

Take care and we will keep you in the loop on stuff. But take care not to engage too much.

Jon

Sorry, but I'm still dealing with the flu--better than last week, but not over the hump yet. (Yes, I did get a flu shot!) I do have a note from my doctor, which puts me back in the office Monday, and I'm pretty sure I'm not going to beat that..

I know my timing is not very good. I don't think I'll be very helpful remotely, either, at least not the next day or so. But of course, if you need to reach me, you can call me on my home number: **Ex. 6 - Personal Privacy**

I'm going to ask Bill to be Acting, since Karen is so engaged in the Dimock issue. I'll look to Karen to be our lead for Dimock and for the OECA videovisit on Wednesday.

Bill will be traveling to Delaware Wednesday morning, with George, Anthony, Bob Chominski, Jim Kern and some others, for our semi-annual meeting with the DE DHSS leadership folks. (I'm sorry to have to miss that this time around.) But I think Bill will be around otherwise.

Again, sorry for timing. I hope it's not too challenging a week.--Vicky
